Updates

Geth 1.5

LES protocol can enabled with --light

Client ready to use in a minute or two

Works quite well, but still considered experimental

Performance issues with lots of filters (UI Wallet)

Geth 1.5

Swarm alpha now ships with geth (POC 0.2 RC5)

Separate "swarm" binary

SWAP functional, but switched off

No SWEAR or SWINDLE yet

ENS integration

Hello, my friends

introduceyourself introduction akasha

I'm excited to see where this platform goes. Decentralization is key in our fights against censorship and control.
